Brubaker Students at the District Art Show

The District Annual Art Show was at Mainframe Studios in March. It was great to see Des Moines Public Schools' K-12 student artwork around the whole building. This year the artwork was up for a month, instead of ten days. By having the artwork up for a longer time, it gave families and the community more time to enjoy the art.

In April, the fourth-grade students will be going to the Des Moines Art Center. The students are guided through the art center by a trained volunteer docent. I'm so glad the art center provides this opportunity for the fourth-grade students.
